Trilogy Circuits named Collin County's ninth-fastest growing company at Comerica Bank Collin 60 awards

Richardson, Texas – June 9, 2008 – Trilogy Circuits, a premier EMS provider, was recognized as the ninth-fastest growing company in Collin County, Texas, at the Fourth-annual Comerica Bank Collin 60 awards ceremony. The Collin 60 annually recognizes the 60-fastest growing companies in the North Texas county. Qualifying businesses had to have been operating since 2003, be privately owned and have top-line sales in 2004 of \$250,000 to \$20 million. The finalists were then ranked by percentage of growth over the last three years.

“This is a tremendous compliment to the hard work and dedication that goes into creating our innovative services in the electronics industry,” said Charles Capers, CEO of Trilogy Circuits. “Trilogy’s high-quality products and services, coupled with our top-notch customer support, have helped us establish solid working relationships and a true sense of loyalty to all of our customers. We extend a hearty ‘thank you’ to everyone that contributed to this honor, and we look forward to many years of continued success in Collin County.”

About Trilogy Circuits

Trilogy Circuits provides turn-key services for the development of electronic devices and products. From printed circuit board (PCB) design to fully assembled boards as well as complete box and cable assemblies, Trilogy helps its customers achieve a faster time-to-market in an efficient manner. The company is headquartered in Richardson, Texas. For more information, visit www.trilogycircuits.com.
