## Dallas 100™ Recognizes Trilogy Circuits as one of North Texas' Fastest Growing Companies

**Richardson, Texas – Oct. 21, 2008** – Trilogy Circuits, a premier EMS provider, has been named one of the Dallas area's 100 fastest-growing private companies. The Caruth Institute for Entrepreneurship at Southern Methodist University's Cox School of Business will present at its 18<sup>th</sup> annual Dallas 100™ Awards held at the Morton H. Meyerson Symphony Center on Nov. 20.

Trilogy qualified for the Dallas 100™ Award by having sales of at least \$500,000 and not more than \$65 million in 2007, as well as a three-year sales history that reflects growth. Both percentage growth and dollar growth were considered in the rankings. Also, companies had to be independent, privately held corporations with headquarters in the Dallas area to be eligible.

“Being named to the Dallas 100 is a tremendous honor that is a real testament to the hard work and dedication by each of our employees,” said Charles Capers, CEO of Trilogy Circuits. “Trilogy has made a commitment to expand and advance our position as a leader in EMS technology. We have a strong understanding of what our customers need to remain successful in their respective industry, and it's that innovative spirit that has brought success.”

### About Trilogy Circuits

Trilogy Circuits provides turn-key services for the development of electronic devices and products. From printed circuit board (PCB) design to fully assembled boards as well as complete box and cable assemblies, Trilogy helps its customers achieve a faster time-to-market in an efficient manner. The company is headquartered in Richardson, Texas. For more information, visit [www.trilogycircuits.com](http://www.trilogycircuits.com).
